

Map

Alton Towers Theme Park is signposted on all major roads for a considerable radius of the park. Simply follow these signs and they will eventually lead you to the corner of Denstone Lane and Tythe Barn. Access to car park is off Saltersford Lane. If you are travelling from the Whiston/Oakamoor direction, follow the signs for Alton village. The final kilometre will be quite a steep uphill drive levelling off after a bend in the road next to Alton Village Hall. This is Uttoxeter Road shown on the map.
